Case 5:10-cv-03653-LHK Document 33 Filed 12/02/10 Page 2 of 3

Plaintiff Los Padres ForestWatch and Defendants United States Forest Service and Peggy Hernandez (together the "parties") hereby respectfully request this Court to grant a third continuance of the preliminary injunction. In support of this request the parties states the following.

As detailed in the parties' joint statement of October 27, 2010 (Dkt. # 29), the parties have been engaged in good faith discussions to resolve this lawsuit through a negotiated settlement. The parties have made significant progress regarding the completion of a global settlement of all issues and believe that a continuance will allow them to reach a complete settlement, thereby resulting in a dismissal of this case. Since the parties' last request, the U.S. Fish and Wildlife Service issued a letter in response to the consultation initiated by the U.S. Forest Service. This letter was sent to Plaintiff on Friday, November 12, 2010. On Friday, November 19, 2010, Plaintiff sent to Defendants a final global settlement offer. Defendants reviewed Plaintiff's offer and submitted to Plaintiff a counteroffer on Monday, November 29, 2010. Plaintiff has reviewed the offer and communicated a response to the Forest Service on December 1, 2010.

On account of the Thanksgiving holiday and the review of additional materials not covered in the U.S. Fish and Wildlife's consultation response, the settlement process has required more time than anticipated. For this reason, the parties respectfully request that the Court grant the parties an additional 30 day extension. Based on the offers that have been exchanged, the parties believe that a global settlement can be reached within the next 30 days. During this time, the parties agree to the terms and conditions contained in the Court's Order of October 27, 2010.
